

PRODUCT

Press Stud Set - 10mm

TECHNICAL DATASHEET

DESCRIPTION

10mm press studs are easy to install and use, making them ideal for securing various materials.

Earth grounding points on bench and floor mats are used to connect ground cords. In order to be effective, these must be riveted through the mat material.

Each pack contains 100 complete press-stud sets made of mild steel with bright zinc and passivation finish.

FEATURES

- Mild steel, with a bright zinc and passivate finish
- Sold in packs of 100 complete sets
