

## **PRODUCT**

## 3 Piece Press Stud Set - 10mm

**TECHNICAL DATASHEET** 

## **DESCRIPTION**

The 10mm press studs are easy to install and use, making them ideal for securing various materials.

Earth grounding points on bench and floor mats are used to connect ground cords. In order to be effective, these must be riveted through the mat material.

This pack contains 100 complete press-stud sets made of mild steel with bright zinc and passivation finish. Each set comprises a 10mm post, 10mm female and 10mm male.

## **FEATURES**

- Mild steel, with a bright zinc and passivate finish
- Each individual set comprises: post, female, and male elements
- Sold in packs of 100 complete sets of press studs - 300 studs overall
