# Coiled Earth Lead - Black

## TECHNICAL DATASHEET

This high quality coiled earth lead provides a strong connection to ground with excellent durability. The cord can be stretched and recoiled back to it's original length, helping to keep a clear working area for efficiency and comfort. It is designed to work with our range of mats ensuring maximum protection within a static controlled environment.

Meets requirements of ANSI ESD-S20.20 and ESDA Standard 1.1-2006
